

THE BULLETIN.

MAYSVILLE. - - MARCH, 17

CLOTHING EMPORIUM.—Messrs. J. B. Dessar & Co., advertise their extensive Clothing Establishment in to-day's Bulletin. Persons desiring something nice in the Clothing line, should call and examine their Spring and Summer Stock. They keep constantly on hand a fine assortment of Clothes and Cassimere, and other dress goods. They have procured the services of Mr. Jacob Landgraf, who stands No. 1, as a cutter. Persons desiring nice fit and a good suit, can be accommodated by calling J. B. Dessar & Co.; Corner of Market and 2nd Street.

See Charles Philster's Advertisements. He is in receipt of some Pure Youghiogheny Coal. He has also all other kinds of Coal used in this market, and you will find him to wait on you at all times. He is a clever gentleman, and advertises in the Bulletin. Do not fail to give him a call.

—The Federals are collecting quite a fleet of iron-clads or rams at the mouth of Red River.

—The New Orleans Times gives a list of sixteen army officers whose resignations were accepted at the Headquarters of the Department of the Gulf, in the week ending the 8th ult.

—The Catholic Church at Terre Haute, Ind., was entered on the night of the 4th inst., and gold and silver ornaments to the value of \$1,000 were stolen.

—It is reported that Italy has tendered 40,000 men and a fleet to England, provided she will assist Denmark.

—The dry goods merchants of New York have contributed the handsome sum of \$75,000 toward the approaching Sanitary Fair.

—New Albany has paid \$300 for vaccinating its citizens, at 25 cents a head.

SILVER PLATED WARE!—CASTORS SPOONS, FORKS, TABLE CUTLERY, etc., AT LOWEST CINCINNATI PRICES. dec17 R. ALBERT, 2d street.

—A steamer has arrived at New York with news from New Orleans to the 1st instant. The bombardment of Fort Powell, below Mobile, continued vigorously. The rebel batteries replied, but none of our vessels were seriously hurt. A letter from the fleet says that Farragut intends silencing Fort Powell, so as to send his mosquito fleet into Mobile Bay. By so doing he will cut off Forts Morgan and Gaines.

The bay is said to be obstructed three miles below Mobile in such a manner that vessels are compelled to pass under the guns of the iron-clad forts and a battery. Mobile is also defended strongly at every point. The city is, however, free from soldiers almost entirely, thirty thousand men having gone to meet Sherman.

—A Mormon preacher lately exclaimed: "I have 48 children, and I have reason to hope that heaven will vouchsafe me a good many more. Before a hundred years my descendants will exceed in number the population of the State of New York, which is 4,000,000 souls."

PIANOS! PIANOS! Of the best manufacturers at from \$25 to \$50 less than CINCINNATI Cash prices. dec17 R. ALBERT, Second street.

—Five hogheads of tobacco were sold at Louisville, on Monday last, at Boone Warehouse at \$25 per 100 pounds the lot round. It was raised in Todd county.

—A party of the fifteenth New York cavalry lately destroyed all the salt-petre works near Franklin, in Fendleton county, Virginia.

FRANKFORT, KY., March 12.—It is understood that Governor Bramlette has addressed a remonstrance to the President respecting the enrollment and enlistment of slaves in Kentucky, and has notified the President that he will execute the laws of Kentucky against all who attempt to take slaves from their owners without their consent. He claims that Kentucky has furnished more than fifty thousand of her sons to defend the Government, and is willing to furnish still more or all that is allotted to her; that she has proven her loyalty, and must be treated as such, and her laws constitutionally included, must be respected.

The blue birds have returned, looking refreshingly verbal and sprightly. We fear that the little warblers have made a premature visit and may be compelled to hide their heads beneath the snow cups before March shall have closed.

The Paris Hotel, belonging to the estate of the late Charles Talbott, was sold at auction on Monday last, at \$15,100 for the third cash and the balance in two annual payments. The stable brought \$905, on the same terms. Both were knocked off to Mr. R. S. Henderson of our city.—Paris Citizen.

Last Monday was Court day. There was a large attendance, and business was active. There was not much stock in market.—Prices were very fair. Horses brought as high as \$160, according to quality. Two year old mules averaged about \$140 and yearlings about \$70, but few on sale. The cattle were few and rather indifferent, but brought good figures.—Paris Citizen.

The weather for the past week seems to have been gotten up with special reference to sugar-making. Speaking of this reminds us that we need to have a particular "vanity" for maple sugar cakes, and if any of our former friends get up these things, we would say to them that we have observed nothing in the proceedings of Congress which makes it "disloyal" for any person to send sugar-cakes to an Editor.

MARRIED. March 10th, 1864, at the residence of the bride's mother, by Rev. Mr. Ramsey, Mr. JAMES FRANKLIN and Miss LOU DARNELL, both of Aberdeen, Ohio.

In this city, March 9th, 1864, by Rev. B. F. Sedwick, Mr. ZEALAS V. FRANKLIN and Miss NANCY REEDEN.

On March 10th, 1864, at the residence of the bride's father, by Rev. J. M. Bennett, Mr. ALFRED B. COCHRAN and Miss MAGGIE ORR, all of this city.

DIED. In Lawrenceville, Illinois, on the 4th inst., CHARLES H. COBURN, aged 32 years.

The deceased was the youngest son of Mrs. Ann W. Coburn, for many years a resident of Mayville. His disease was consumption, and his summons was short, he having left St. Louis some six weeks since, being apprehensive that he could not survive long. Visited his mother and relatives in Lawrenceville, Illinois, to seek quiet and repose. Upon reaching there the symptoms of his disease rapidly developed itself, and in a few weeks his spirit quietly passed into eternity. The deceased was well known in Mayville, having been born and raised in this city. He was a young man of excellent heart, with great kindness of manner and universally liked. It is gratifying to the friends of the deceased here to learn that his last moments were watched over by a kind mother, brother and sister. He has gone, but his name liveth.

Mrs. CYNTHIA WALKER, died at her residence, near Helena, Mason county, Ky., Jan. 24th, 1864. She was born Dec. 5th, 1811. Was married to Henry Walker, whom she survived, May 23, 1838. When about 17 years of age, she joined the Methodist Episcopal Church, and sought and found the forgiveness of her sins and an abiding evidence of God's love. Sister WALKER was endowed with good natural sense, and an attractive person. To these she added intelligence, and good manners; and above these she manifested piety that was all sunshine and hospitality, that was truly generous. She was therefore loved and trusted by her family, and respected by all her neighbors. She was devoted to her own Church, but not exclusive toward any other. She held highly the house of God, but especially cherished religion in her own home; there her power was known and felt most. Was always cheerful, and spoke with confidence of her acceptance with God. Her last illness was painful and protracted, but through all she was patient, calm, hopeful, and happy. She desired to live, but was willing to die. Loved to have her pastor and others to visit, converse, sing and pray with her. These were usually seasons of holy triumph to the dying saint. Her faith grew daily until the last hour, when she said she was "ready," and triumphantly arose her life, and joined the happy spirits above the throne. She was about 52 years a follower of Christ, and did never waver an hour. Her presence, prayers and counsel will be sadly missed by all her friends, but especially her family; to them her place cannot be filled here, by another, but they can meet her where she has gone.

"There, to be sundered never,
"There, to live forever." N.

Which are the evidences of
LIVER COMPLAINT AND
It is estimated that seven-tenths of all adult ailments proceed from a diseased and torpid liver. The biliary secretions of the liver overflowing into the stomach poison the entire system and exhibit the above symptoms.

After long research, we were able to present the most remarkable cure for these horrid night-mare diseases, the world has ever produced. Within one year over six hundred and forty thousand persons have taken the Plantation Bitter and not an instance of complaint has come to our knowledge!

It is a most effectual tonic and agreeable stimulant, suited to all conditions of life. The reports that it relies upon mineral substances for its active properties, are wholly false. For the public satisfaction, and that patients may consult their physicians, we append a list of its components.

CALISAYA BARK—Celebrated for over two hundred years in the treatment of Fever and Ague, Dyspepsia, Weakness, &c. It was introduced into Europe by the Countess, wife of the Viceroy of Peru, in 1640, and afterwards sold Jesuits for the enormous price of its own weight in silver, under the name of Jesuit's Powder, and was finally made public by Louis XVI, King of France. Humboldt makes special reference to its febrifuge qualities during his South American travels.

CASCARILLA BARK—For diarrhoea, colds and diseases of the stomach and bowels.

DANDELION—For inflammation of the lungs and dropsical affections.

CHAMOMILE FLOWERS—For enfeebled digestion
LAVENDER FLOWERS—Aromatic, tonic and tonic—highly invigorating in nervous debility.

WINTERGREEN—For scrofula, rheumatism, &c.
ANISE—An aromatic carminative; creating flesh, muscle and milk; much used by mothers nursing.

Alb. clove buds, orange, caraway, coriander, snake root, &c.

S-T-1860-X.

Another wonderful ingredient, of Spanish origin, imparting beauty to the complexion and brilliancy to the mind, is yet unknown to the commerce of the world, and we withhold its name for the present.

I am respectfully yours, J. S. CATHORN

NEW WHOLESALE DRY GOODS STORE!

THE SUBSCRIBERS, LONG ESTABLISHED in a large retail Dry Goods business in Mayville, would call the attention of Country Merchants to their recent addition of an extensive Wholesale Department; which will be conducted on a STRICTLY CASH PRINCIPLE.

The many years of experience possessed by our buyer, combined with a perfect knowledge of the Kentucky trade, a thorough acquaintance with all the Manufacturing and Importing Houses in the East, and the fact of our purchases being made for "Cash," together with a firm determination to sell at a mere commission advance on Eastern Cost, will be sufficient guarantees to CLOSE CASH BUYERS that we cannot be undersold by any WESTERN JOBBING HOUSE.

Our Stock will be found better adapted to the wants of our customers than it is usual to find in the generality of JOBBING HOUSES; as it will embrace a greater variety of goods than is ordinarily met with in an exclusive Wholesale Establishment. The departments allotted to
